Face

FACE PRIMER

Prep and prime the skin to create a smooth canvas or mix this silky, lightweight primer into products for a sheer, natural finish. Apply directly to the skin prior to foundation or mix into foundation for a creamier consistency.

CREAM FOUNDATION

From a sheer natural look to a flawless full coverage finish, this versatile foundation holds up beautifully under the most extreme conditions. Custom formulated for ultra-smooth blending and ease of application. Ideal for all skin types. Available in compact, refill and palette.

Refill fits 1.5" Refillable Compact and a variety of empty palettes

Compact with sponge included

*Available in refill only

LIQUID FOUNDATION

Rich and creamy liquid foundation contains premium quality ingredients, offering a smooth flawless finish with a luxurious feel. Hydrating with natural aloe vera and shea butter, this lightweight formula evens out the skin while allowing it to breathe. Buildable and easy to blend with a brush or sponge.

LOOSE POWDER

A finely-milled powder that creates a beautifully soft, smooth finish. So ultralight that it stays on the skin's surface without settling into fine lines. The silky-smooth formula applies evenly and comes in a spectrum of delicate tones from no color at all to a deep, rich brown. Perfect for setting foundation. A must-have to conquer shine.

DUAL FINISH PRESSED MINERAL POWDER

A lightweight, talc-free pressed powder that creates a silky-smooth finish. Use with a brush to set foundation or with a sponge for more coverage. Ideal for touching up make-up throughout the day.

Compact with brush included

BRONZER

Sheer pressed powder bronzers add a warm glow to any skin tone. Dust lightly over the entire face for just a hint of color or intensify application to create more dramatic effects. The perfect finishing touch for any look.

Compact with brush included

S&F

EYE COLOR

Velvet consistency and lushly pigmented color glides on smoothly and evenly, wet or dry. Developed for lasting results, this silky formula is available in a variety of matte and shimmer shades—from bright and vibrant to soft and natural.

Refill fits 1" Refillable Compact and a variety of empty palettes

CAKE EYELINER

A long-lasting, water-activated liner known for its precision and versatility. The make-up experts' choice that's perfect for everyday use. Create subtle or dramatic looks effortlessly with this professional quality eyeliner.

Refill fits 1" Refillable Compact and a variety of empty palettes

EYE PENCIL

This versatile formula is soft enough to line the eyes, yet firm enough to define brows. Pencil glides on effortlessly, whether lining eyes precisely or shaping and filling in brows.

BROW FIX

Keep brows groomed and gorgeous with this non-flaking gel formula. Use directly on the brows with the convenient brush applicator or apply with disposable mascara wand. Squeezeable tube is ideal for pros.

Clear

EYEBROW CREAM

Create precise, ultra-fine hair strokes and achieve perfect brows with this uniquely formulated long-wear cream that glides on smoothly and evenly. The smudge-resistant formula is a must for natural looking brows.

Refill fits 1" Refillable Compact and a variety of empty palettes

VOLUMIZING MASCARA

Rich in pigment for even coverage and lush with fibers to maximize and lengthen for volumizing results. Brush applicator allows ultra-smooth application and control for individual users, whether creating a subtle daytime look or glamorous evening eyes. Squeezable tube is ideal for professionals and everyday use.

WATER-RESISTANT MASCARA

Lengthening, pigment-rich formula is water-resistant and offers all day, smudge-free wear. Removes easily with any cleanser or make-up remover. Squeezable tube is ideal for professionals and everyday use.

EYELASHES

103

Make eyes stand out in the crowd using these thick dramatic strip lashes.

201

Short flare lashes are perfect for a natural lift to the outer corners of the eyes. Flares can also be added to sparse areas to create fuller, thicker lashes.

105

These long thick eyelashes are all about drama. They are rich and voluminous for those who really want to make a statement.

202

Medium flare lashes are used to create fullness and length to the natural lash line. Adding flares to the outer corners of the eyes gives a "cat eye" effect, adding a touch of drama to the eyes.

106

Natural looking lash strips give the eyes subtle enhancement for everyday use or any special occasion.

301

Individual lashes are designed for filling in areas of the lash line that are sparse or thin. The use of single lashes allow you to customize how full you want the lashes to appear.

107

Perfect for adding drama to any natural look, these lashes add length and fullness and can be used to create bolder eyelashes. Combine with a thick layer of mascara to really stand out.

Cheeks

Refill fits 1.5" Refillable Compact and a variety of empty palettes

Accessories

PENCIL SHARPENER

Creates the perfect point for lip and eye pencils. Metal blade works smoothly and easily with precision. Convenient cleaning stick helps to remove product from blade and inside sharpener.

TWEEZERS

These precision-crafted, stainless steel slant tweezers allow for a perfect grip for removing any unwanted hair.

TRIMMING SCISSORS

Trim facial hair, brows and false eyelashes with these professional stainless steel scissors.

HAIR SCISSORS

These professional quality stainless steel shears are perfect for trimming natural or synthetic hair for a variety of character looks.

EYELASH CURLER

Create perfectly curled lashes with this professional stainless steel eyelash curler. The specially designed arch creates an even curl without creasing. One replacement silicone pad included.

DISPOSABLE MASCARA WANDS

Create flawless lashes and prevent cross-contamination using individual disposable mascara wands. Universal to any lash type with a flexible tip for easy application. 25 pieces per package.

ORANGEWOOD STICKS

These finely grained wooden sticks are ideal for applying false eyelashes. 3 sticks per pack.

PALETTE KNIFE

Stainless steel palette knife is a must-have for removing cream make-up and other products from pots and palettes quickly and easily. Protects make-up from cross-contamination.

SPRAY BOTTLE (2 oz)

Keep liquids organized and separated. Conveniently sized for travel and fits perfectly into any professional kit or cosmetic bag.

DOUBLE POINT COTTON TIP APPLICATORS

Professional quality, double sided point tip applicators are a must-have for any make-up application. The firm, pointed tips allow for precise application and blending, giving ultimate control. 200 swabs per canister.

MAKE-UP SPONGES

(12 PRE-CUT SPONGES)

Create a flawless look effortlessly with these specially designed, disposable professional make-up sponges. Unique shape offers extra surfaces and density keeps cream products from absorbing into sponge. Use wet or dry for a smooth, even application. Made from natural and synthetic latex.

ORANGE STIPPLE SPONGE

Orange synthetic stipple sponge is best used for special make-up effects. Its coarse and porous texture allows for stippling adhesives, alcohol-based inks and rubber mask grease paint. The large pores are great for creating capillaries, pock marks, bruising, or layering base colors to create realistic skin tones on prosthetic appliances or tattoo cover-ups. This synthetic stipple sponge can also be used to press skin-like textures into oil-based clay prosthetic sculptures.

BLACK STIPPLE SPONGE

Black synthetic stipple sponge is best used for special make-up effects. Its porous texture allows for stippling adhesives, alcohol-based inks and rubber mask grease paint. This sponge can be used to create bruises, scrapes and scratches, beard stubble effects and refining prosthetic sculptures.

POWDER PUFFS

Create a flawless, matte finish using these soft velour puffs. Specifically designed to pick up and hold powder for an even application. Available in packs of 2 or 10.

GLASS JAR

Clean brushes with ease in this 2 oz. glass jar. The wide opening accommodates larger brush sizes. Comes with a screw cap for convenient storage of brush cleaner.

APRON

Keep your outfit pristine while working in this comfortable pocketed apron. Convenient back ties and adjustable neck length make it the perfect choice for professionals.

COVER CLOTH

Protect your clients' clothing with this lightweight washable cover cloth. Size measures 57"L x 50"W for maximum coverage.

CONTINUITY FACE CHARTS (50 SHEETS)

Note every detail while creating the ultimate make-up using custom designed Continuity Face Charts. The porous paper allows for realistic blending when using make-up or colored pencils. Available in three sizes: small (eye), medium (half-face) and large (full-face).

Cases & Bags

MAKE-UP CASE SET

This durable, uniquely designed case is ideal for easy access to all your make-up related essentials. A must-have for every make-up artist, the sturdy set case is perfect for travel. Two clear pouches conveniently store a variety of make-up, tools, bottles and jars.

SET BAG

This durable, uniquely designed bag is perfect for organizing all of your make-up related essentials in one place for easy access. The large center compartment is surrounded by handy pockets for storing bottles and cans. A must-have for every make-up artist.
